- ◆ According to MOU between the Ministry of Employment and Labor of the Republic of Korea and Department of Labor and Employment of the Philippines (DOLE), only Philippine Overseas Employment Administration (POEA) has the legal authority to send Filipino workers to the Republic of Korea. Only the job seekers who passed the EPS-TOPIK and registered on the roster by POEA can be hired by Korean Employers. Involvement of any other private sector in the procedure for sending workforce is strictly prohibited.
- ◆ It costs 24 USD (or same amount in local currency which is written above) for an applicant to take Special EPS-TOPIK and only the certain amount of money noticed officially as a sending cost by POEA during the registration period of a job application form will cost you for entering Korea under the EPS.
