## **CSC extends deadline for career service written exam applications**

The Civil Service Commission (CSC) has extended the deadline for filing of applications for the Career Service Professional and Subprofessional written examinations to Feb. 27, 2014.

The CSC will administer the examinations in 52 testing centers nationwide on April 6 this year.

Applicants must be Filipino citizens, at least 18 years old at the time of filing of application, regardless of educational attainment, and have not taken the same level of examination in less than three months.

There is no limit in taking the Career Service Examinations. An individual may take the exam regardless of the number of times he or she failed. The only condition is that the same level of examination should be taken once in every three months.

Applicants should personally file the following requirements at the CSC Regional or Field Office where they would like to take the exam: duly accomplished application form (CS Form 100, Revised Nov. 2012 downloadable from the CSC website [www.csc.gov.ph](http://www.csc.gov.ph)); four pieces identical ID pictures; original and photocopy of a valid ID card; and PHP500 examination fee.

The Career Service Examination is a general ability test designed to measure verbal, analytical, numerical, and clerical skills for the conferment of a Career Service Eligibility, a basic requirement to enter the career service in government.
